

Got Game SUMMARY

One of the many beautiful things about the game is that all players have the opportunity to be the quarterback. Whenever they are in possession they can affect the nature of the game.

Through this new exciting program, players will develop Game Intelligence through play instead of instruction through drills.

- ⇒ Got Game will stimulate the players technically, physically and mentally in equal measure
- ⇒ Promote their understanding of the game
- ⇒ Improve their perception and decision making ability
- ⇒ Help players learn to adapt quickly and securely to the constantly changing game situation in defense and attack
