

Fair Play Code for Players

The Kingston United Soccer Club is committed to keeping soccer as our “beautiful game”, and we strive to keep the game fun for all.

To that end, we expect all our players to abide by the following Fair Play Code:

1. I will play for my own enjoyment, not to please parents, teachers or coaches.
2. I will control my temper – fighting and "mouthing off"- foul language spoils the "beautiful game" for everybody.
3. I will cooperate with my teammates and opponents, for without them there is no game.
4. I will play by the rules. I understand the rules and know that infractions can result in discipline.
5. I will work equally hard for myself and for my team. I know my team’s performance will benefit from my efforts, and so will I.
6. I know that winning is only part of the game. Having fun, improving skills, making friends and doing my best are also important.
7. I will cheer all good plays, both my team’s and my opponents’.
8. I will remember that coaches and officials are there to help me and I will cooperate with them.
